

Big Beach Clean

This Sunday 12th May starting at 2 places:

Holywell > near the Holywell Tea Chalet
Wishtower beach > in front of the Lifeboat Nuseum

NO LONGER from here:

Beach Deck Café
Harbour Reach

If you are one of our beach “Adopters”, please clean your own beach, at a time to suit yourself. 10am on this day is an optimum time for you.

The starting time is 2pm

Due to the high tide at this time, you may be directed to clean landward areas, if the beaches are covered in places. Health and safety will dictate this.

Equipment: please bring what you can. We will have litter pickers for sale at £5 each and a few to lend out. We will give out litter bags and gloves. Please dress appropriately and remember that children must be accompanied by an adult. Bring your filled bags back to one of these two starting points so that we can make **Mandalas** from the debris ~ with your help!
Afterwards, our Council will collect the debris.

The **Port Hotel** has agreed a special offer during the afternoon: you will be offered a hot drink if you pop in and tell them that you are volunteering as part of this event! This hotel has won several accolades, including “Top 100 British Hotels”. 1-12 Royal Parade, Eastbourne, BN22 7AR.

Tel: 01323 438526

Also **Allchorn Maritime Heritage & Education Centre** are offering hot drinks too. They are situated between the Southern Head fish shop and the Lifeboat Station at Fisherman's Green.

Enjoy volunteering to help improve our environment.

Thank you, Oliver Sterno
